#### ARHFA Scoring Format:

- ♦ **Scoring:** ARHFA scoring format is based on 2 Judges scores + a Time score to get the total run score. Example: Time on the run is 5.0 we turn the time into a point value by taking an 80 point value and minus the time on the run (80pts - time of 5.0 = 75points) to get the Time Score, then we add the 2 judges scores to the Time Score to get the total run score.  
*Total score example: Time Score = 75pts + Judge 1 score (70) + Judge 2 score (72) = 217 total score.*
